Minute To Minute

By Todd Brueshoff

The June 10, 2000 Board Meeting
was held in the Fireside Room at
Martin Luther School, 1830 W.
Glenrosa. The meeting was called
to order at 9:06 a.m.

All board members were present
except for Pastor Charles Wilfong
who was out of town.

Minutes from the May meeting
were accepted with one minor
correction. The Treasurer's reports
for the General Fund and the 301
Grant were accepted as submitted.

301 Grants - The fiscal year for the
1999-2000 grant is coming to a
close. Laurel Moran will write a
letter to the grant committee asking
to reallocate funds from areas that
have surpluses. We will use the
money to purchase items that can
be used at future general meetings.
Any money not used by the end of
June must be returned to the city.
We were approved for the entire
grant amount for the 2000-01
grant. The money will be picked
up on June 17th.

July 18th General Meeting - Jim
Mathew reported that the
committee has met. There will be
a picnic theme for the meeting.
The Association will be providing
hot-dogs and chips. There has
been interest in the committee for
traffic through the neighborhood
and those members will be
announced at the meeting. A
motion was made by Sharon
Barger and seconded by Susan
Thompson-McHugh to allocate up
to \$125 from the General Fund to
help with expenses. The meeting
will begin at 6pm with set up at
5pm.

Neighborhood Workshop Update
- Sharon and Carol Adamson

attended the workshops that were
part of the national neighborhood
conference held in Phoenix. Some
of the workshops attended were
about writing grants, community
newsletters, and organizations
information. The overall feeling
was that there was a lot of useful
information and it was a very
positive experience.

Fall Festival - The committee for
the Fall Festival that will coincide
with the annual G.A.I.N. was
selected. Tim Blevins chairs the
committee. Other members are
Marjorie Paez, Jeannie Garcia,
Jim, Carol, Anna Blevins and Judy
Mathew. They will hold their first
committee meeting in the near
future.

Fundraising Idea - An exploratory
committee has been formed to look
into making stepping stones for
possible prizes at meetings or
fund-raisers. The committee
consists of Jim, Susan, Carol,
Marjorie, Tim and Georgia
Thomas. They will begin their work
by looking into material costs.

Board Vacancy - Laurel
announced to the Board that she is
moving out of the neighborhood by
the end of June. There will be a
vacancy on the Board that will
need to be filled. This will be
discussed at the next meeting.
Tim agreed to take over as
Treasurer for the Association.

Meeting was adjourned at 10:35
am. The next Board Meeting will
be on July 8, 2000. Please check
with any Board member as to
location.

My name is

Susan Thompson-McHugh

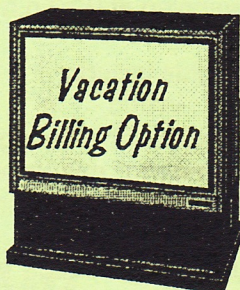

My husband, Max, and I bought our house in August of 1999. Our only "children" are two cats and a strong willed bird dog.

We met many of our neighbors, when our truant dog, Cleo, escaped our first week here. Your help and concern....and her speedy "recapture" confirmed my opinion that this is a great neighborhood with great neighbors.

I work for the United States Department of Agriculture and will start Graduate School at A.S.U. in the Fall. My most time consuming hobby/obsession/job is renovating our house, and, for relaxation, slaving heroically to coax at least one ripe tomato from our 8 tomato plants.

I anticipate working hard for you on the board.

Cox Communications Offers

Should you be leaving this summer for 3 to 6 months, you can choose to pay a reduced rate - only \$8 per month. If you are interested call (602)277-1000 to see if you qualify!

A Fond Farewell To The Bel Air Brag

I announced last month my husband and I are expecting our second child in December, and now we are moving at the end of this month. It has been very busy around our home lately.

With this move, there will now be an opening on the Board. Is anyone out there interested? If so, please call the hotline and leave your name and telephone number.

It is a great opportunity to meet and get to know your neighbors. I have enjoyed my stay on the Board very much and will miss all my friends.

Connie's Corner Weight-Loss Wit

A minute in the mouth, two hours in the stomach, and forever on your hips.

A good reducing exercise consists of placing both hands against the edge of the table and pushing back.

The alimentary canal is thirty two feet long. You control only the first three inches of it. Control it well.
